## 4th Quarter Event Schedule

### 2018-20, October 6, Saturday, carpool 8:30 AM, Lake of the Woods Forest Preserve, Mahomet

A new place for the club to hike is Lake of the Woods Forest Preserve just off Interstate 74 at Mahomet west of Champaign. The hike is in two sections: the first is about 2.5+ miles of grassy and dirt trails through prairie and some woods, while the second is around 2.5+ miles of grass and pavement in a conventional park setting which includes a lake and crossing several magnificent bridges. The terrain on both is rolling, and the first section can be muddy. Total hiking time is around 2.5 hours. Both sections are subject to sun and heat. There are points in both sections for self-guided turnaround or wait for when the rest of the group loops back. For carpooling, **meet at the Cracker Barrel back parking lot in Morton at 8:30**. Plan to start hiking by 10:00. If you drive directly on your own, contact the hike leader beforehand.

Wear hiking boots for the first section; you may choose to switch to canvas shoes for the second section. Shorts are fine. Bring trekking poles if recent rains occurred. Carry water. Dogs on leashes are welcome. Indoor bathrooms are available at the beginning/end and halfway.

Directions: take I74 east to exit 172 at Mahomet. Turn left (north) onto RTE 47. At ½ mile, turn left into a small parking area that has one restroom building. This is our starting point. Optionally afterward, we will lunch in Mahomet at JT Walkers or the Hen House. The return to Cracker Barrel is: 2:15 for those not staying for lunch, 3:45 for those eating lunch. There is also a free prairie museum tour on the grounds after 1:00 PM that we may consider, which would delay return.

### **2018-21, Hike at Rocky Glen, Saturday, October 20, 2018**

Friends of Rocky Glen have invited us to join them on a hike on Saturday, October 20th, anytime from 10 am until 2 pm at Rocky Glen Park off Kickapoo Creek Road. Volunteers from Friends of Rocky Glen will be hosting guided hikes all day on the **NEW** hiking trail with a newly built parking lot kiosk, interpretive signs, directions posts and occasional benches. Although Pimiteoui has hiked there before, the trail we will be hiking is entirely **NEW**. It will be a challenging; strenuous 1/3 mile hike from the parking lot to the Bowl then back another 1/3 mile, with three separate short side trail options. If you have questions contact Dave Pittman at 309-573-2354 or [dvdgpittman@gmail.com](mailto:dvdgpittman@gmail.com). **Note: Parking will be limited so they will run a shuttle from Jimmy's Bar on Farmington Road. No parking will be available at the Rocky Glen parking lot for this event.**

Mud can be an issue. There are creek crossings. Wear hiking boots and bring trekking pole(s). Carry water. Indoor bathrooms are available at the beginning/end and part way. ## **EVENT REPORTS**

### [2018-14 July 12, 5:00 pm, Club Social at River Beach Pub in Chillicothe](#)

On a very hot Thursday night close to 20 Pimiteoui hiking club members showed up for a good dinner at the Pub. We ate inside due to the heat and after three large table changes we managed to get settled! This is a very good pub for "bar" food and it is highly recommended.

**Host:** Mike Bohn

### [2018-15, Saturday, July 28, 9AM, Detweiller Park/Green Valley](#)

Detweiller Park provided a beautiful and enjoyable hike. Most of us went the entire 5.5 miles/2 hours 30 minutes in pleasant weather, while some opted for a shortened 3 miles. The steep hills seemed unrelenting, yet everyone handled them well. These trails are perceived as secondary compared with Forest Park. However, they are just as good. Afterward, many of us ate lunch at Brazky's

### **2018-16 Sunday, August 12, 2:00 pm, Constitution Trail, Bloomington**

Eight of us carpooled over to the Constitution Trail, starting at Jumer's. It was a warm hike but the shade increased as we first went East then, returned to our starting point, and went West to the Japanese garden. We went under a couple of tunnels and successfully avoided being hit by bikers. We probably walked between 3 and 4 miles. Afterwards, our attempt to eat at Busy Corner failed after we saw the waiting line of people. So, we headed back to Cracker Barrel for a bite to eat. Thank you to Rob Alexander for being our responsible driver.

### **2018-17 Sunday, August 19, 2:00 pm, Hyde Park Woods**

It was a sunny day with fine weather. The creeks were low and the shallow water crossings were easy. There were sightings of wildlife along the way of deer, turkey, and a red tailed hawk, which tattled on us being in the woods. There were eight enthusiastic hikers for this trip. Following the hike we fired up the grill and had a variety of tasty treats.

**Hikers:** Susan Hood, Jay Meinrich, Angie Madison, Carol Raines, Andy & Cherie Shull, John Jackson, and Dave Grebner.

### **2018-18, Saturday, September 8, 8:30 am, Humiston Woods, Pontiac I**

Humiston was an exquisite hike. 5.1 miles of woods, water, and prairie on a beautiful summer day. The highlights included continuous sunshine, dry trails, no bugs, accessible beaches, deer, a flying blue heron, and dozens of monarch butterflies on goldenrod. Some of us ate a good lunch at Edinger's Filing Station in Pontiac.

### **2018-19, Wednesday, September 19, 5:30 pm, Bike Ride on Rock Island Greenway**

The evening had cooled off considerably by the time we left for the trial ride from Bushwhacker. There was a cool, soft breeze that made the ride exhilarating. The only problem was that the weather was so nice and ride was so much fun, that we didn't want to quit. Since darkness falls early these days, we did what we had to do and ended the ride around 7:00 pm. Afterwards, we enjoyed dinner at the Asian Grill, just across the parking lot from the trail. It was a great evening of fun and fellowship.
