Pimiteoui Trail Association Hiking Club
April – June 2013

President – Cindy Alexander – 309-231-2190
Vice President – Brian Cunningham – 309-633-1224
Secretary – Susan Hood – 309 -648 -2771
Treasurer – Linda Kent – 309-263-8500
Newsletter Editor – Jerry Gegel – 309-266-7533
Officer at Large – Mark Klokkenga – 309-678-3827
Officer at Large – Mike Bohn – 309-688-2791

ANNOUNCEMENTS

Membership Items

1. **Annual membership meeting** was held on February 16, 2013 at Kep's Sports Bar and Grill in Washington, IL. Club members present voted in favor of the PTA contributing funds to other trail-related organizations or events as deemed appropriate by the Board. An Election of Officers was held and resulted in a continuation of Officers currently serving; Cindy Alexander as President, Brian Cunningham as Vice President, Linda Kent as Treasurer and Susan Hood as Secretary. See Event Report for complete details.
2. **Annual dues** were due on February 16. 2013. To continue your membership and continue to receive this Newsletter send your dues to Club Treasurer: Linda Kent, 22172 Northfield Drive, Morton, IL 61550. Make checks payable to "Pimiteoui Trail Association".
3. **Historical Archives.** 2013 is the 30th anniversary of the Pimiteoui Trail Association. Have you ever wondered who built the trail or how the club got started? Evelyn Berg was a Girl Scout leader back in the '60s and a member of the Peoria Historical Society. She loved the outdoors and enjoyed researching local history. Both of these interests were brought together with the founding of the Girl Scout Trail, the precursor of the Pimiteoui Trail. When Evelyn passed away several years ago, her daughter generously gave the club some of Evelyn's personal archives. Visit the club's website (www.ptahike.org) to read the transcripts of these archives. And check back to view additional postings that will be added later

Upcoming Events/Happenings

1. **Bicycling Opportunity** – On May 4 and 5, George and Sandy Burrier will lead a bike ride thru the western suburbs of Chicago. Cycling will be on 3 different trails -- IL Prairie Path, Fox River Trail & Great Western Trail. By combining the trails we will be riding a triangular path and will not need to retrace our "steps". The trails are mostly converted railroad line property so will be mostly "flat". Parking for both days will be in the Winfield lot at the intersection of County Farm and Geneva Road called Kline Creek Farm/Timber Ridge Forest Preserve. This lot will park about 12 cars; overflow parking is available across the street in a strip mall. On both days our start time will be 9 AM. For more information contact Sandi & George Burrier via email (gburrier@mtco.com,) or 309-231-3748 (M) or 309-266-5085 (H) after April 1.
2. **Rock Island Greenway (Kellar Branch) Fundraiser** previously scheduled for May 18, 2013 has been cancelled. A fundraiser will be rescheduled for a later date after the Greenway has been completed.

PTA Hiking Club Newsletter

1. For 2013, the newsletter will be "published" quarterly. Hike leaders; please email your Event Reports to geraldgegel@comcast.net within two weeks after completion of your

scheduled events. A single photo (jpeg file format) for inclusion in the Newsletter may be attached to your report if desired
2. Hike Leaders are to register all attendees for a hike/bike/paddle event using the "official" Pimiteoui Trail Association Liability Waiver form. These may be obtained on our website at WWW.PTAHIKE.ORG.

For Outdoor Events

1. In case of bad weather, contact the hike leader to see if the hike has been cancelled.
2. Any hike leader wanting to use the club's first aid kit can obtain it by calling Jay Meinrich.

EVENTS SCHEDULE

Event 2013-7, Saturday, April 13, 2013, 8:30 AM – Sand Ridge State Forest

Let's get together and hike Illinois's largest State Forest, Sand Ridge, near the town of Manitou, this spring. The past one or two trips to Sand Ridge have been in the summer, so it will be great to see the seasonal differences. Sand Ridge State Forest has huge expanses of oak, hickory and pine trees, open fields and grasslands, and unique sand prairies, making up a total of 7200 acres. This area has often been referred to as a forested island, due to the fact that it is different than the agricultural land that surrounds it, supporting plant and animal life more closely associated with southwest, than the midwest. In addition to the many acres of pines, other examples, regarding what makes this area different, include the badger, bladder pod, and especially the prickly pear cactus. We will be too early to see the prickly pear cactus flowers, but the plants should be present at the time of our hike. There are 44 miles of marked trails ranging in length from 1.5 to 15 miles, many of which are interconnected. I will scout out the trails and terrain to see which ones provide the greatest opportunity to see the diversity of the landscape. Please be prepared for a moderately strenuous hike. Let's meet at the Pekin Riverfront Park for carpooling. Be sure to check out any specific updates as provided in a reminder that will be emailed to PTA members at the beginning of the week prior to the date of this event. Following our hike, we will drive into Manito and go to the Ironwood Restaurant for lunch, conveniently located next door to Willet's Winery.
Hike Leader: Mark Klokkenga, 309-678-3827, klokkeme@att.net

Event 2013-8, Wednesday, April 17, 2013 , 5:30 PM – Bike Ride on River Trail of IL – East Peoria to Morton

We will meet at 5:30pm in the parking lot in East Peoria on the south side of the Bob Michael Bridge. The parking lot is between the Granite City restaurant and the bridge. There is plenty of room to park. We will ride the River Trail of Illinois (Carl "Bud" Schmitt Trail). It is 100% asphalt paved. So, road-bikes will be ideal. The ride will be about a 20 mile round trip.
Ride Leader: Brian Cunningham, 309-633-1224

Event 2013-9, April 20, 2013, 9:00 AM – Earth Day - Great American Clean Up \ Keep Peoria Beautiful (Service Day)

On Saturday April 20, 2013 we will meet at the Peoria Heights Library rear parking lot at **9am** to celebrate Earth Day by participating in this annual community litter pick-up campaign. This event provides much synergy for our group by enabling us to simultaneously celebrate Earth Day both by getting some hiking in and also contributing toward a less littered trail and city.

We will focus on cleaning the litter on the PPD Rock Island Greenway going south from the library and make our way toward Springdale Cemetery. This part of trail is not paved yet. Some garbage bags and gloves will be provided by the Keep Peoria Beautiful organization. If you have litter picker\ grabber tools at home please bring them.
Coordinator: Brian Cunningham, 309-633-1224

Event 2013-10, Wednesday, May 1, 2013, 5:30 PM –

The May 1 hike has been relaocated due to river flooding. We will hike a different segment of the East Peoria River Trail. Meet at the caboose at the Fon du Lac Park Dist. Admin. Building 201 Veterans Drive. In East Peoria. Hike leader Cindy Alexander 309-231-2190

Event 2013-11, Sunday, May 19, 2013, 2:00 PM – Jubilee Park

The park is located west of Peoria a few miles off I-74. Take exit #82 to Kickapoo, and Jubilee State Park, and follow the road to a "T" intersection in Kickapoo. Make a left onto Rt. 150. In a couple miles there will be a sign to Jubilee Park Historic site. Do not take that road, but continue on Rt. 150, past Kickapoo Creek to the main Park Entrance. Take the Park road to just past the Park Office. Go a short distance past the office, and take the first right turn which will quickly end at a "T" intersection. Go left to the Bow Wood Glen parking lot. The trails are moderately hilly and mostly wide. We will hike about two hours. We will cancel if it's raining heavily, as the trails will be very muddy. You can find maps online. Maps provided by the park are difficult to read. Afterwards, we will stop to eat at the Jubilee Cafe restaurant located back at the I-74 exit. Be sure to save room for homemade pie. And be sure and bring your check book or cash as they do not accept credit or debit cards.
Hike Leaders: Doug and Toni Lais (507) 358-3981

Event 2013-12, Saturday, May 25 2013, 10:30 AM – Fugate Woods Nature Preserve & Kilgus Farmstead, Fairbury

Come out on this May morning to Fugate Woods Nature Preserve (http://www.fugatewoods.org), located in the abundant prairie croplands just 2 1/2 miles northeast of Fairbury, Illinois. This natural area contains more than 150 acres of native timber and restored prairie. We will start on the Gathering Grove Trail from Fairbury, explore Fugate Woods' four loops of trails and then walk back out to Fairbury. The trails are flat, not paved, and might be muddy, so just be sure to bring proper boots. Leashed dogs are welcome. We will hike for about 2 h. Afterwards we can gather for lunch at an eatery in Fairbury and then end with a guided tour of the Kilgus Farmstead 1 mile south of Fairbury (http://www.kilgusfarmstead.com). Tours will begin and end at the Farmstead Country Store where you can purchase Kilgus and other local products. There is fee of $2 per person which includes the 45-60 min tour and an ice cream cone from the farmstead store. Meet at Russell's Cycling and Fitness in Washington at 9 AM for carpooling or at the Prairie Central High School in Fairbury (411 N 7th Street) at 10.30 AM. Those driving directly should contact one of us beforehand.
Hike Leaders: Eric Hutchison (309-688-7038) & Mareike Kraatz (cell phone 309-621-5474)

Event 2013-13, Saturday, June 1, 2013, 9:00 AM – 30th Anniversary Hike - Grandview Drive to Forest Park Nature Center

Thirty years ago, on a June day in 1983, a dedication was held to commemorate the public opening of a segment of the Pimiteoui Trial. Starting at the top of Grandview Drive, the trail wound through the woods, crossed a creek and traversed a hillside prairie before ending at Forest Park Drive across from the nature center. Let us follow the footsteps of those who toiled to clear a path for the enjoyment of all. Meet at 9:00 a.m. at Tower Park in Peoria Heights, located on the corner of Prospect Ave. and Glen Ave. Because June 1 is National Trails Day, refreshments will be provided in celebration.
Hike Leader: Cindy Alexander, 309-231-2190

Week of June 3, 2013 – Board Meeting

Location, date & time to be announced later and depends on availability of a new meeting place.
Coordinator: Susan Hood

Event 2013-14, Saturday, June 8, 2013 8:30 AM –IL River Bluff Trail (Service day)

Please join other Pimiteoui Trail Association members, assisting the Peoria Park District (PPD) build trail, clear brush, or complete other tasks on the Green Valley section of the Illinois River Bluff Trail. The PPD recently acquired, through IDNR funding, the land necessary to build this segment of trail. The PPD refers to this construction project as Phase 3, as it is the third grant received for building the IRBT. The land lies south of I-474 (Rt. 6), and will eventually connect with Detweiller Park. From Rt. 6, the proposed trail will wind around to the south and east, and travels about two miles, as it follows the contour of the hillsides and land, before arriving at the Green Valley Camp. Peoria Park District Project Planner, Michael Friberg has been contacted and is aware of our club's interest in helping build this trail. As June 8 approaches, I will contact him again to get more specific details regarding what work we will be doing. This event is bound to be great fun, while at the same time helping to develop our namesake trail, the IRBT, formally the Pimiteoui Trail. Let's meet at Forest Park Nature Center to carpool and follow each other to the work location. Be sure to check out any specific updates as provided in a reminder that will be emailed to PTA members at the beginning of the week prior to the date of this event.
Event Coordinator: Mark Klokkenga 309-678-3827, klokkeme@att.net

Event 2013-15, June 15 thru June 22 – Wayne Fitzgerrell Camping/Hiking Adventure

Mark your calendar for June 15th through June 21st for the club's third annual camping and hiking trip. This year we will visit Wayne Fitzgerrell State Park on beautiful Rend Lake in Southern Illinois. Whether you trailer or tent camp, this will be fun for everybody. There is also a lodge/resort on Rend Lake if you like the comfort of a hotel. Hiking activities are available at Shawnee National Forrest, Tunnel Hill State Trail, and Cache River wildlife area. In addition, there is bicycling, canoeing, kayaking, horseback riding and other activities. To learn more, visit http://www.dnr.state.il.us and search "Wayne Fitzgerrell State Park" and click on the first result. At that same sight, search "Cache River." Visit http://www.dnr.illinois.gov/ and search "Tunnel Hill," and learn more about Shawnee National Forest at www.fs.usda.gov/shawnee. There will be an informational meeting at the home of Bonnie and John Jackson on Sunday, April 21st at 6:30 PM. If you have questions before then, contact them at 309-263-2474 or bon1jon2@yahoo.com.
Coordinators: Bonnie & John Jackson

Saturday & Sunday, June 28 - 30, 2013 – Multisport Event

The Multi Sport Extravaganza grows bigger and better each year. Mark your calendar for June 28–30. Held at Wildlife Prairie State Park, the MSE offers a variety of sporting events, including hiking, bicycling, trail running, orienteering, kayaking, mountain biking, yoga and more! New this year will be Spartan race clinics, kayak racing, and standup boards. Boats and boards will be available to demo. Also new this year will be a live band Saturday night. You can attend one, two, or all three days. Camping will be available Friday and Saturday nights. Details for the Extravaganza are still being planned, so check the website www.MultiSportExtravaganza.com for registration and event times.

Cindy Alexander will be leading a hike at the MSE event (day and time to be determined). Anyone wanting to help with the hike or another part of the MSE please contact Cindy.
Coordinator: Cindy Alexander (309- 213-2190)

EVENT REPORTS

Event 2013-1, Sunday, January 6. 2013, 2:00 PM – Coal Miners Park, Pekin

Despite temperatures dipping into the 20s, 14 hikers gathered at Mineral Springs Park on Sunday, Jan. 6, to hike. The paved trail started just beyond the parking lot and was easygoing except for a few icy patches along the way. We crossed Parkway Dr. and entered Coal Miners Park where the trail circled around some game fields then followed a wide, wooded ravine to Allentown Road. There we turned around and made a return trip back to our cars. Several hungry hikers then went to Monical's to warm their insides with pizza and pasta.

Attendees: Cindy Alexander (leader), Chris Sweet, Linda Kent, Sam Kent, Eric Hutchison, Brian Cunningham, Tim May, Bonnie Jackson, John Jackson, Barb Gurtler, Homer Gurtler, Paula Lewis, Susan Hood. Guest: Mark Bradley.
Hike Leader: Cindy Alexander

Event 2013-2, Sunday, January 20, 2013, 2:00 PM, Bradley Park

This eventful hike began at Jubilee State Park, and ended at Bradley Park in Peoria. When we arrived at Jubilee, we were met with roadblocks and signage which told us that the park was closed to non hunters. The park manager told us it was the last day of deer season for firearms, and too dangerous for us to be hiking. I think he thought, with all the parked cars, and so many people milling around, that there was going to be a PETA protest, because he seemed a little defensive at first. Fortunately, there was a backup hike which the hike leader had been planning for later in the year, so all seventeen of us drove to Bradley Park

We had a special guest on the hike, Nick Schnelle, who is a photographer with the Peoria Journal Star. The newspaper published an article about the club on March 21, 2013. Nick followed us through the park, and took many pictures of us with our winter jackets and our rosy cheeks. This is his first job out of college, so we wish him well in Peoria.
Bradley Park is small, so we trekked up and down, and poked into odd corners that most people never see, covering almost the whole park in an hour and a half. The day was cloudy and the temp was 29 degrees, but the landscape sheltered us from any wind, so it was a comfortable hike. Afterwards most of the group retired to Doug and Toni Lais' house for pizza and beverages, where we both truly enjoyed having the house filled with the cheerful noise and warmth of friends. We look forward to hosting more of you in the future. Next time, we'll attempt Jubilee again...after a call to the DNR.
Attendees: Doug and Toni Lais, John and Bonnie Jackson, D. and Janice Atkinson, Homer and Barb Gurtler, Cindy and Rob Alexander, Kathy John, Chris Sweet, Brian Cunningham, Susan Hood, Paula Lewis, Eric Hutchison, and guest Nick Schnelle.
Hike Leaders: Doug & Toni Lais

Event 2013-3, Saturday, February 2. 2013, 8:30 AM, Chautauqua Wildlife Refuge and Dickson Mounds - Eagle Days - Meet in Pekin

The trip to Chautauqua National Wildlife Refuge (CNWR) proved to be exciting for the nature lovers that attended. It was a good sign when the ten Pimiteoui Trail Club members and guests, who met at Pekin Riverfront Park, spotted numerous eagles, perched in trees and flying along the Illinois River, to begin their day. Leaving Pekin, the group traveled to the refuge headquarters, located 1 mile south of the village of Goofy Ridge. After arriving at the refuge we were greeted with refreshments and given an informal presentation by the site manager on migratory waterfowl and eagle activity at Chautauqua and Emiquon Refuges, and the history and significance of CNWR. The refuge manager also talked about the best places to observe eagles and herons on the self guided auto tour, which we took, driving 7.5 miles around the gravel road that encircles the huge wetland lake, called The South Pool. Next we stopped at The Shed, which is 1 mile south of the Chautauqua Refuge, in the town of Buzzville, for lunch. After comparing notes, it was determined that we observed at least 15 eagles, 2 or 3 Great Blue Herons, one huge beaver, and other wildlife during our wetlands tour. Our next stop was Dickson Mounds Museum, where the group took in a live raptor presentation by the World Bird Sanctuary, from St. Louis, in the museum's auditorium. The excitement of the afternoon was seeing a European Owl, a Barred Owl, a Peregrine Falcon, a Vulture, an Eagle, and others, hearing the stories of how they had been rescued from the wild, and watching in amazement as they flew from one perch to another, at altitudes close to audience members heads. In summary, everyone had a great time.
Attendees: Laura VanRiper, Cindy and Rob Alexander, Tom Hieser, Susan Hood, Dave Grebner, Mary Greenhood, Sheila Leininger (guest), and Ryan Atkinson. (guest)
Hike Leader: Mark Klokkenga, 309-678-3827

Saturday, February 16, 2013, 6:00 PM, Annual Membership Meeting; Kep's Sports Bar, Washington, IL

The highlight of the evening was a presentation by Kathy John, which she called "Running Wild in Kenya". Kathy traveled to the African continent to run the Kenya Safaricom Marathon & she shared her photographs of the wildlife, scenery and the people she encountered during her adventure. We enjoyed cake to celebrate the 30th anniversary of the Pimiteoui Trail Association. Cindy Alexander recounted that a portion of trail was developed along the Peoria Riverfront in the late 1970's with the intent to gradually extend the trail along the riverfront and onto the river bluff. In 1983, the portion from Grandview Drive to Forest Park Nature Center was completed, named the Pimiteoui Trail, and our club was formed to encourage further development and public use of the trail. The evening included door prize drawings, Dusty Boots Awards to recognize participation and a new Blue Blaze Award in recognition of volunteering. Cindy Alexander provided a recap of the year's outings. Brian Cunningham provided an update of the PPD's Rock Island Greenway and Mark Klokkenga reported on Phase 3 of the Illinois River Bluff Trail and the Rocky Glen property. Bonnie Jackson invited members to join in the camping/hiking trip to Wayne Fitzgerrell State Park on Rend Lake in Southern Illinois, which is scheduled for June 15-21, 2013. The club members present voted in favor of the PTA contributing funds to other trail-related organizations or events as deemed appropriate by the Board. An Election of Officers was held and resulted in a continuation of Officers currently serving; Cindy Alexander as President, Brian Cunningham as Vice President, Linda Kent as Treasurer and Susan Hood as Secretary.

Event Coordinators: Cindy Alexander and Susan Hood

Event 2013-4, Sunday, February 24, 2:00 PM, Grandview Drive

We were greeted by a clear, sunny, 35 degree day as we gathered at the base of the Peoria Heights lookout tower for our tour of aptly named Grandview Drive. Seventeen members and seven guests in all - most guests reported finding us in the Journal Star. We swapped greetings and made firm plans to consume the cake that Cindy Alexander graciously brought along - held over from last night's annual banquet (30 year club anniversary cake). Our views along the hike were indeed grand, thanks to the clear air and the leafless trees between us and our beautiful Illinois River valley. On a clear day, you can see forever (well, at least to the Mossville water tower). Grandview's stately estates and landscaping was also a hit. I particularly enjoyed seeing the huge sycamore trees in winter - their white and green mottled trunks gleaming in the sun. Grandview park provided our turn-around point - we decided to pass on Grandview's steep switchbacks that snake down to route 29. Our walk back to Tower Park was all uphill, but (thanks to Cindy) we had cake waiting at our finish line. Post-hike carb loading was resumed at TNT's down the street.

Attendees: Cindy & Rob Alexander, Susan Hood, John & Bonnie Jackson, Paula Lewis, Laura Van Riper, Brian Cunningham, Chris Sweet, Cindy DeCrane, Dave & Mosey Grebner, Jerry Gegel, Rod & Janet Sieth, Doug Lias

Guests: Jack & Toni Chambers, Peter Vermeil, Jim Fletcher, Sandy Grilly, Vicky & Robbie Mitchell, Lane Geebon

Hike Leader: Eric Hutchison, 309-688-7038

Event 2013-5, Saturday, March 9, 10:00 AM, Funk's Grove near Bloomington, IL

A stormy start of the day turned very respectable as the club ventured to Funk's Grove near Bloomington. We hiked both the south and north portions of the area. The trails were often covered in snow and some mud but were fine. One day later with the heavy rain would have made the trails a quagmire. A high-water creek crossing in the south end helped to make things interesting. Midway, the nature center held our interest with animal pelts and displays. Heading north, we tried unsuccessfully to crash wedding preparations at the historic Funks Grove church. We just wanted to see the inside of the church for religious reasons. We were an adventurous group, especially with the high turnout on a questionable day. At the end, some went to the Funk's Grove store to see "sirup"

vats and to buy some “sirup”. Many fled to Busy Corner in Goodfield for a good field lunch. Those who stayed home missed a wonderful day all around.
Attendees: Joan Bonnett, Toni Lais, Doug Lais, John Jackson, Bonnie Jackson, Jerry Gegel, Joyce Gegel, Chris Sweet, Susan Hood, Laura VanRiper, Andy Shull, Cheryl Shull, Sharon Baird, Norma Frieden, Doug Frieden, and Lisa from Bloomington
Hike Leader: Jay Meinrich

Event 2013-6, Saturday, March 16, 2013, 9:45 AM, Rocky Glen in West Peoria
Pimiteoui Trail Association members and guests made up 16 of the total of approximately seventy people that showed up at Jimmy's Bar on March 16th, the meeting point for those participating in hikes to Rocky Glen, the unique rock formation now owed by the City of Peoria. The monthly hikes, sponsored and organized by the Friends of the Rocky Glen (FORG), have become more and more popular, as people hear about this unique geological treasure, located in their own backyards, and want to see it for themselves. To reach the trailhead, it was necessary to carpool to reduce the number of vehicles on Kickapoo Creek Road, as parking is limited. After arriving we separated into smaller groups so that there was one FORG leader in each, to provide information about the site. Our group learned about the geology of the terrain leading up to the Rocky Glen formation, and Rocky Glen itself, from Ed Stermer, the geology teacher at ICC. Ed also told us about the history of mining in the area, as evident from the mine shaft and the old bridge remnant present. We walked right by the Crescent Mine shaft, were coal mining occurred for 14 years around 1905 - 1919. Once reaching the Rocky Glen formation, we saw evidence of several rock carvings thought to have been made in the late 1800's and early 1900's by people that were trying to form unions related to coal mining. Ed also told us about the geology of the sandstone that formed Rocky Glen. Everyone had a chance to take pictures, walk around and look at Peoria's newest "soon to be" public park, before heading back to their cars.
Attendees: John Jackson, Homer and Barb Gurtler, Doug Lais, Dave Grebner, Chris Sweet, Tammy Vinson, (guest) Joan Bonnett, Cindy De Crane, Larry and Brenda Shay, Michael Villen (guest), Vicki Mitchell (guest), and Stan Lamont (guest).
Hike Leader/Coordinator: Mark Klokkenga
